

Instagram Stories For Law Schools

Instagram Stories

Law Schools should be using Instagram Stories (and Instagram in general), it is a great way to engage with current law students, prospective students and the legal sector in general.

9 Things Law Schools Can Do On Instagram Stories

- A tour of your law school
- Snippets of a law event you are running
- A law school debate
- A student take-over day
- Student/academic staff opinions on a legal topic
- Things to do in the local area
- Law school news
- Polls/quizzes on legal topics or your law school
- Historical facts about your law school
